WARM WELCOME HUBS IN DERBY

**Welcoming spaces for residents to access
warmth and social interaction this winter**

In partnership with Derby City Council and the Department of Work and Pensions, Community Action Derby has been administering the grants for the Warm Welcome Hubs. There has been an overwhelming response from community organisations across the city.

We are supporting these organisations financially so that they may provide warm, welcoming spaces to Derby city residents, along with a hot drink and a meal, and other support to help with welfare and wellbeing during the Cost of Living Crisis.

Warm Welcome Hubs will:

- **Provide a warm welcome to those in need of a warm space**
- **Provide a hot drink and a meal**
- **Distribute energy vouchers**
- **Assist with online applications**
- **Assist with support – signposting to other organisations**
- **Provide health and well being support**
